

**ANNUAL REPORTS, AUDIT REPORTS, SECURITIES AND INSURANCE CONTRACTS:
ALL FROM ONE OF THE INDUSTRY'S LEADING IN-HOUSE TRANSLATOR TEAMS.**

Financial Translations

The financial market, the **hub of multi-faceted economics** such as tax, legal, compliance, auditing and M&A, puts all participants to the test every day. **For more than 25 years**, EVS Translations has successfully mastered the translation element, regularly **servicing internationally listed companies and law firms with high-caliber financial translations**. We provide global institutions and business with M&A, equity, bond and forex assessments, ad-hoc disclosures, press releases, audit documentation, investor relations information, directives and guidelines, legislation, internal audit and compliance submissions.

Expert translation management and cooperation between our offices across Germany, UK, Spain and the USA **guarantee reliability**. In 2017, 99.7% of orders were confirmed within the hour and 99.94% delivered on time. During the translation phase, our in-house translators access **one of the largest legacy local-GAAP and IFRS terminology databases of its kind** for unparalleled accuracy. Throughout the project cycle, **data is safe**. In accordance with the EU Market Abuse Regulation, **customer-specific insider lists** are maintained and our **international branches work according to the very stringent German Data Protection Act**.
